The Area Agency on Aging is a service of the Upper Coastal Plain Council of Governments, a lead planning organization comprised of five (5) county governments and thirty-nine (39) municipal governments. Working under the direction of locally elected officials of these governments, the staff plans and administers a variety of federal, state and local programs and services. The counties served include Edgecombe, Halifax, Nash, Northampton and Wilson.
What is the Family Caregiver Support Program?

Federal and state funding is allocated to the county level for programs that provide supportive services for those considered “caregivers.”

If you are caring for someone and need assistance, the Family Caregiver Support Program may be able to assist.

Services

* **Information** about available services and resources to help families in their caregiver roles.
* **Assistance** to families in gaining access to services from a variety of public and private agencies. Help in planning future needs.
* **Caregiver Support** to help families cope with the emotional and physical stress associated with caregiving.
* **Caregiver Training** events to educate families on topics such as care techniques, communication with health care professionals, making healthcare, legal and financial decisions.

Services Continued

* **Respite Care** is often needed to provide caregivers a break. The Family Caregiver Support Program assists caregivers with Respite Services to enable the caregiver to be temporarily relieved from caregiver responsibilities.
* **Limited Supplemental Services** to complement care provided by eligible caregivers. Most are one-time services such as home modifications (ramps, grab bars, assistive devices and safety inspections), incontinence supplies, and liquid nutrition.
